# hand soap

delphis  
eco

Our hand soap produces a luxurious creamy lather to easily remove ingrained dirt and grease to leave your skin feeling clean, soft and conditioned. Scan the QR code for more info.

## benefits

- ✓ ph balanced - 5.7
- ✓ contains moisturisers
- ✓ reduced use of hazardous substances
- ✓ phosphate and phosphonate free
- ✓ safe in septic tanks if used as directed
- ✓ readily biodegradable
- ✓ not tested on animals

## application and directions

Wet hands thoroughly. Apply a small amount (up to 5g) onto hands. Massage into the palm then over front and back of both hands taking care to work well into webs and cuticle area. Ensure both hands are fully treated. Rinse with clean water and towel dry. Where water is not readily available rub well into hands and dry using a towel or tissue.

**Proper dosage saves cost and minimises environmental impact:** Delphis Eco encourage users to reduce waste going to land fill by recycling empty bottles.

## areas of usage

- hands
- forearms
