

TASKI Sprint Spitfire Spray

Heavy duty multi purpose cleaner

E5c

Description

TASKI Sprint Spitfire Spray is a heavy duty alkaline cleaner for alkaline resistant hard surfaces.

Key properties

- **TASKI Sprint Spitfire Spray** has excellent emulsifying properties
- **TASKI Sprint Spitfire Spray** contains alkaline and solvent ingredients
- **TASKI Sprint Spitfire Spray** has a fresh fragrance
- **TASKI Sprint Spitfire Spray** is ready to use, no rinse and streak-free
- **TASKI Sprint Spitfire Spray** is easy to apply and dries quickly without leaving traces

Benefits

- Powerful deep cleaning of alkali-resistant, hard surfaces
- Simultaneously removes grease and oils as well as takes tough stains out
- Quickly and efficiently removes mineral and vegetable oils as well as petrol stains
- Efficient stain remover; removes ink, marker, pencil, lipstick, black heel marks, smoke films, greasy food and other tenacious stains
- Leaves a pleasant odour
- Ready to use spray application which leave surfaces free of residues

Use instructions

Dosage:

Ready to use. Use undiluted.

Application:

Light soiling:

1. Spray the product onto a cloth/sponge and apply on the surface.
2. Allow to act/scrub if necessary, and wipe clean.

For tough stains:

1. Spray product directly onto surface and allow to act for a moment.
2. Then scrub if necessary and wipe clean.

No rinsing needed, except on stainless steel surfaces.

Important:

Do not use on water- or alkali-sensitive and painted surfaces. Do not use on surfaces in contact with food products and do not use on aluminium. Always test material compatibility in a small inconspicuous place before use.

Technical data

- | | |
|----------------------------|-------------------------|
| • Appearance: | Dark blue, clear liquid |
| • Relative density [20°C]: | 1.02 |
| • pH-value neat: | 12.0 - 12.5 |

The above data is typical of normal production and should not be taken as a specification.

TASKI Sprint Spitfire Spray

Safe handling and storage information

Safe handling:

Full guidance on the handling and disposal of this product is provided in a separate Material Safety Data Sheet.
For professional users/specialists only
